Dear Mr Oliver

Proposed Care Home, Bartons Rd, Havant - Application APP/20/00761

I am writing to support this application:

1. The site has not been beneficially used for many years and was once part of the garden of Helmsley House.
2. The rest of the land, apart from the house and immediate gardens, is already a proposed by Havant Council to be allocated for residential development.
3. The proposed care home is a much needed community facility with other supporting uses close by.
4. The adjoining land to the rear is currently being developed with several hundred houses by Bellway Homes.
5. The access to the care home will be taken off the Bellway Homes estate road, not directly onto Bartons Road.

Would you please keep me informed of the progress of this application and the decision taken.

I hope my comments are useful but if you need to know more please let me know.

Kind regards.

Yours sincerely
