Dear Sir/Madam

Your Ref: APP/17/00659
Proposed Single Storey Rear Extension

I am writing in reply to your letter re: the proposed single storey rear extension of the property next to mine at No. 32 Yoells Lane.

I have no comments to make about the proposed rear extension, however I notice on the plans it is also showing an extension to the front of the property as well as the rear. The plans are showing the garage is being extended to the front by approximately 165cms which means a brick wall will be built 117cms away from my bedroom window. This will take all my light, and I am very much against this proposal because of the detrimental effect it will have on my property.

I have been advised planning permission is not necessary to extend the garage. I would be interested to know if this is the case and whether I have any rights in appealing against this part of the proposed plans.

Yours faithfully

Pauline Leighton
