Dear Mr Lewis, I'm sending  
a support letter after going  
online and filling in my  
details.

Yes, I would love a  
sidle to be built on Hayling,  
and it would stop anymore  
houses being built.

This discount shop is  
brilliant I use the one in  
Leigh Park, [REDACTED]

[REDACTED] You have  
one on my doorstep would be  
great. Lets hope if passed  
it will not take too long  
to build. Looking forward
