Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The planning listed buildings and Conservation Areas Act 1990

Proposal. Listed Building application for installation of 1 replacement window and 1 replacement door to rear.

I object to the works being carried out as above for these reasons. There is nothing wrong with the door or window. Initially it wasn't made clear which door or window as there are several doors which are in need of repair. So I made a phone call to Mr Oliver so I could verify the works being carried out. I then found works inside the Elms includes a disabled toilet. With wheelchair access. The wheelchair cannot go anywhere as there is no access to the garden. Without pulling down Garden sheds. I'm objecting because it is right next to my bedroom. [REDACTED] Also my Bathroom door opens into the Courtyard. Also the room being allocated for disabled toilet is The Elms Guest room which has been for the past 40 odd years. It is also used by the Lodge which is part of the Manor Trust for the residence who fall ill in the last days of their life and need their loved ones near them. We have been misled. I feel that this beautiful building which we the residence respect. Feel that the funds for this could be used for other repairs which are more important. Therefore I'm objecting.
