Re: APP/19/00519 Attn Mrs B Crawford re 168 London Road Waterloooville

Dear Mrs Crawford

Thank you for your letter of 26th November 2019 concerning an amended planning application.

My objection to the the first application is below. I appreciate that the amended application proposes to reduce the length of the originally proposed 3metre+ two storey extension at the rear, though from what I can make out from the plans, a roof level side and rear outward extension is still sought.

The rear extension as amended will continue to be at a close right angle to my bedroom window, and so my earlier fears about overshadowing and the increased gloominess that will result by the loss of sunlight and daylight to this room and to my kitchen, remain I'm afraid, For these reasons I am opposed to the amended application where it relates to a two storey extension.

Regards
