Re: Proposed Lidle Food Store, Manor Road Hayling Island
Application number APP/17/00656

Dear Sir

I would like to register our support again for the above application and Query an objection made by several objectors regarding flooding, yes certain areas on Hayling are subject to flooding, but the area where the proposed store is to be this is not one of them.

The only suggestion I have is that the entrance should be as far away from the roundabout as this gets very congested now and needs to be avoided.

We hope this application will be accepted.

Yours Sincerely

Joe & Kathy Tarling.
