Dear Jacky

Thank you so much for pointing this out, I confirm that the removal of condition 1 of Planning Permission 13268/3 should be removed from my application. I confirm that I will allow for the amended description relating to HWU2788 as detailed in your third paragraph.

Thanks again.

Dear Ms Hammond

Thank you for your response. The description we propose is Removal of Condition 7 of Planning Permission HWU2788 to allow for permanent occupation of chalet No 15.

Your email (below) has proposed the description Removal of Condition 7 of Planning Permission HWU2788 and removal of Condition 1 of Planning Permission 13268/3 to allow for permanent occupation of chalet No 15, however, planning permission 13268/3 does not relate to your site since it directly refers to only 5 chalets (nos 31-35). I have attached a copy of the decision notice and plan for your info.

Please provide further confirmation that you will allow for the amended description relating to HWU2788. I will register the application swiftly on receipt of your return email.

Many thanks,

Jacky Clark

Dear Mrs Clark

I refer to Mr Cook's telephone conversation with you 3 April 2017 and your email and letter dated 30 March and can confirm that the description given as '12' in my application should read:

Removal of Condition 7 of Planning Permission HWU2788 and removal of Condition 1 of Planning Permission 13268/3 to allow for permanent occupation of chalet No 15.

I do apologise for this error and thank you for drawing my attention to it.

Yours sincerely
