Hello Michelle,

Thank you so much for your email. The Overspill car park will only be for the benefit of members of Haying Island sailing club and their guests for Championships and open meetings and certainly not for renting out or charging fees.

I think we all know it will not be used much but HISC have always tried to keep within the letter of the planning laws and work as closely as possible with all our Resident neighbours.

If you have anyone with concern then as Senior Trustee of the Club I will be pleased to meet them on site to discuss any concerns they have.

Kindest regards,

Mike (Baker)
