Dear Sir/Madam,

I enclose your letter to me dated 06/08/2018

Our Ref: APP/16/00724 regarding the Proposal:
Erection of 195/No dwellings off Siriah Lane/
North Shore Rd, Hayling Island. I do not have
a computer, so I am writing this letter to
oppose this plan very strongly.

PTO The Traffic on and off Hayling Is

② Is already way over capacity. One has to allow $\frac{1}{2}$ hr extra when driving on/off the Island.

The Lyall Store has not opened yet and this will affect traffic flow a great deal.

The Island will be completely crowded as a result putting enormous pressure on G.P. Cover, Schools etc etc.

We value our wildlife and do not wish it to be destroyed.

Land belonging to Estate Agents is being sat on and this could be used now to solve the problem.

Yours faithfully,

(Mrs)
