Dear Miss Gamlin

Site Location: Chichester, Solent and Langstone House Havant

Re: Redevelop the current bin store areas to a purpose built fire proof sustainable structure which will be fully enclosed with lockable doors.

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 14 August 2017. An extension of time was subsequently agreed until 29th August 2017.

Further to my email of todays date I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason:

- To seek to address crime and disorder concerns in relation to the positioning of the bin stores
- To allow options to be considered in relation to the possible resiting of the buildings and any amended impacts in relation to footpaths and trees.

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely

Mr D Eaves
