Subject: Extention 14 Hurstville Drive

Dear Michelle

Reference APP/17/00539

In addition to my previous email regarding the proposed extention at 14 Hurstville Drive. I would like to point out that any recommendation to use frosted glass on the doors of the balcony would only be effective when the doors are closed. When the doors are opened the frosted glass would be pointless as the privacy of our amenity area at the rear of the garden at 16 Hurstville Drive, where we have the arbour with table and chairs would still be compromised.

Kind Regards

Jean Cheshire (Mrs)
