

Petition to Oppose Planning Application APP/16/00820

Petition Coordinator	To David Eaves, Planning Officer. Havant Borough Council Planning Department, regarding Planning Application APP/16/00820
Bernadette Martin 17 Lovedean Lane Cowplain Hampshire PO8 8HH	We, the undersigned, are residents of the local community of Lovedean Lane, Cowplain, Hampshire. We object to Planning Application APP/16/00820 - the proposed erection of a 2-bedroom bungalow in Gladys Avenue on the former garden of 17 Lovedean Lane, Cowplain. Please take into account the following views: This land has had at least three applications for planning refused due to a number of fundamental contraventions of Policy CS16 of Havant Borough Council's Core Strategy 2011 and these contraventions should still apply. It is our view that the proposed building would constitute an overdevelopment of the area and would be to the detriment of the visual amenities and character of the area. In addition, we are concerned that the erection of this dwelling may increase the risk of flooding to the area, particularly gardens and houses on the South side of Lovedean Lane. Furthermore, a driveway so close to the junction with Lovedean Lane may constitute a dangerous risk to traffic/ pedestrians.
