Subject: I dwelling 391 Purbrook Way

Dear Lesley,

The planning application as above. There is no room for anymore vehicles to park on Purbrook Way as you can see by photos submitted to you, vehicles used by local residents are more than the road can cope with, over the last two years the residents of Purbrook Way are parking in Winchfield Crescent Awbridge Road and St John's Road, as I have lived in the area for over 50 years I have seen the comings and going of people trying to park every evening, they often Park on double yellow lines which are on the corner of Purbrook Way and Awbridge road and mine and other visitors to Winchfield Crescent cannot Park to visit us. The situation has in my view become critical, so therefore it is my view that this application be refused

Kind regards
