Dear Mr Boyd-Brown,

Thank you for your time today and understanding of the situation. As I said, the proposal for the two storey side extension is in the process of being recommended planning permission. I need to alter the description to ensure you have the right permission and that the correct works have been advertised however due to a system shut down on Monday and Tuesday next week this shall be until the 18th January.

Please can you confirm that you are happy to agree an extension of time until Friday 19th January in order to permit this re-advertisement at your earliest convenience. I do apologise for any inconvenience caused.

Many thanks
Emma
