Your ref: App/17/00388.

For the Attention of Mr. D. Eaves, Case Officer.

Dear Sirs,

Re: 128-130 Seafront, Hayling Island, PO11 9HW.

Further to your letter dated 23rd. June 2017, we would make the following comments:-

- 1) Despite Mr. Ash's statements regarding shadowing, we would reiterate the comments previously given in our letter dated 01/05/17 and add that the "shadowing" we referred to relates to later in the day, particularly from October through to April. We already suffer from lack of light due to Dilkusha Court earlier in the day, & again more so during winter months. The proposed elevations still shows 128-130 to be higher than Dilkusha Court. We therefore oppose the proposals.
- 2) With regards to drainage, there is no indication as to exactly the revised proposals are. We therefore oppose the proposals, as our drains may suffer as a result of (a) building works, & (b) increased volume due to extra tenants/occupiers.

We trust our comments will be considered at the time the application is reviewed.

Yours Faithfully,
