Attention Mrs T Pickup

Ref application APP/18/00681 Construction of 1 No dwelling to rear of 8 Highfield Parade

Having lived on the Highfield Estate since 1960, the above application has raised 2 concerns.

1. The proposed building is shown to be a lot closer to the road than the rest of those in Meadway. (is it beyond the building line?) If this is so it could create a precedent for anyone else wishing to extend on the front of their house.
2. The piece of ground with the 2 trees in it, shown as the garden of the dwelling.

I query if this belongs to T .Ware Developments, because back when we applied to have these 2 trees planted as a memorial to one of our residents (Mrs Maureen Huntley), we were under the impression that this piece of ground either belonged to or had been adopted by the council.

We had to apply for permission to plant the trees, and were told the council would choose and plant the trees, and we paid the council for the trees and labour, since then the council has maintained this area.

Yours Faithfully
