Dear Inspector.

Ref.Planning Application APP/19/00974

I wish to object to the above application for the following reason(s).

The single story I have no objection to but the balcony area above I do.

This will create a precedent for further development in the area of similar design and out of character.

I would like the Planning Service to consider the further consequence of granting the balcony in respect of noise and intrusion that could follow if this one application is allowed.

Number 5 Spinnaker Grange has unrestricted views over open fields/farmland.

Any restrictions placed on the use of the balcony I feel will be ignored as would any further granting of permissions.

Thank you for your time.

Yours sincerely.
