

Dear Mr Andrews,

Thank you for your

Email dated 20th November 2014.

It is noted that in July 2008 there appears to be no Caravan on the Site. As you will see from the attached Invoice on the 17th July 2008 the Caravan was being Serviced as we do every Summer, the Caravan was in the garage for a couple of weeks, following which we were on holiday. There was then a further delay getting the

Caravan back on Site as the Council was repairing the road. The intention was to put the Caravan back on the Site which we did as soon as it was possible. I can confirm we always have the Caravan Serviced in the Summer prior to the children's holidays.

I hope this answers your questions,

Regards

L. Stanley
