Planning.

App/15/01397 refers to 10 to 12 High street Emsworth. I object to this planning request for a Costa Coffee shop. Costa has no place in a small village such as Emsworth. It is not in keeping, we have enough coffee and tea shops in Emsworth, and this large chain will squeeze out local coffee shops, further degrading Emsworth. We cannot afford to lose more shops, and if you approve Costa's request you will be killing off the local coffee and tea shops. I understand Havant Council have already approved the demolition of Spencer's Restaurant in North St Emsworth, to be replaced by a n Indian Restaurant, there is strong resentment to this move in Emsworth. Then the new building in Convent lane in Emsworth on the site of the old St Joyns Ambulance station that again is not in keeping with Emsworth. Then the new church hall by the roundabout in Emsworth... Again many Emsworth residents are at a loss to understand who is approving such designs. If Havant Council want to rejuvenate Emsworths shops, then give us free parking, as is the case in Midhurst Fi example.
