Dear Sir/Madam,

Your Ref. APP/17/00351
Re 2 Langstone Rd, PO9 1RE

Thank you for your letter dated 10th July in respect of the revised building work at 2 Langstone Rd.

I do feel very strongly that nothing has really changed from the original proposal and that it will still invade the privacy of, not only my home, but that of many neighbours.

As mentioned in my previous letter I already have great problems with the enormous tree and hedges backing on to my garden necessitating artificial light in my kitchen and back rooms most of the day.

I do feel, therefore, that this planning proposal should be rejected.

Yours Faithfully,
