Dear Mr Fleming,

Re: Proposed Lidl food store, Manor Road, Hayling Island
Application number APP/17/00656

Thank you for registering your support for our proposals at Hayling Island. The application appears to be progressing well. Several of the Council consultees have responded without raising an objection to the proposals, and we are currently in the process of dealing with objections with regard to highways and flooding. We should submit further documents to the Council addressing concerns within the next 2-3 weeks. We have agreed to an extension of the time allowed to determine the application until the end of October to give us time to deal with these issues.

In the meantime a number of residents have contacted the Council directly to register opposition to the application, and whilst we have submitted our petition with more than 2,700 signatures to the Council a month or so ago (the number now sits at 3,652 signatures), there are well over 100 negative comments on the Council's application file. We feel that this is a disproportionate representation of negative sentiment and feel that it would be beneficial to show a balanced view.

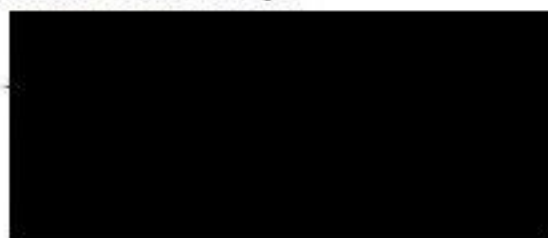

If you have not already done so, we would be grateful if you could send a few lines to register your support for the application directly to the Council, this can be done in 2 ways:

1. Visit <https://planningpublicaccess.havant.gov.uk/online-applications/>, enter our application number (APP/17/00656) in the box and click search. Then click on the comments tab and enter your details.
2. Send a support letter by post to: Lewis Oliver, Principal Planning Officer, Planning Services, Havant Borough Council, Public Service Plaza, Civic Centre Road, Havant PO9 2AX.

More weight will be afforded to letters which give reasons for support that are planning considerations. Examples of planning considerations relevant to our application are available on our website: <http://www.hayling-island.lidl.co.uk/reasons-to-support-us/>. Subjective points such as being a fan of Lidl or feeling that Lidl offers good value can be included and may be persuasive but cannot be considered by the Council when it makes its recommendation as to whether the application be approved or refused.

Thank you again for your continued support, we hope that we will be able to write again in 1-2 months' time with news of a planning committee hearing date.

Yours sincerely,

James Mitchell
