06 April 2017

Planning Application Ref: APP/17/00305

20 Beechworth Road Havant PO9 1AX

Having looked at the plans for the proposed replacement garage at the above address I would like to make the following comments.

1. My main concern is the highway safety whilst the work is being undertaken. I assume there will be extra traffic in the form of vans/skips and deliveries. Obviously as Beechworth Road is one of the main routes used by our parents for bringing our children to school, both on foot and for parking, and as we no longer have a school patrol officer, I would like reassurance that consideration will be given to the times that visits to the site are made. This would mean avoiding the drop off time between 8.30 and 8.50 and pick up from 2.45 to 3.15.
2. The fire pit is the other concern due to the close proximity of a heat source to the wooden fence which borders on the school playground area. Presumably all precautions will be taken to ensure there is no fire risk involved.

I trust you will consider my comments with regard to this application and I look forward to receiving confirmation of the outcome of planning permission in due course.

Yours sincerely

Mrs M Hall
Head teacher
