G. CHOICE OF PROCEDURE

It is important that you read carefully section G of the guidance leaflet before you complete this section.

There are 3 possible procedures:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1 THE WRITTEN REPRESENTATIONS PROCEDURE

W ☒ *

This is normally the quickest and most straightforward way of making an appeal. The written procedure is suited to the vast majority of appeals.

- * a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No ☒
- b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? If so, please explain below or on a separate sheet. Yes ☒ No

2 THE HEARING PROCEDURE

H ☐

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure. If you are proposing that this appeal follows the hearing procedure you must submit a draft statement of common ground. You must give detailed reasons below or on a separate sheet why you think a hearing is necessary.

- ☐ If the hearing procedure is considered suitable we will seek details of your availability when sending the appeal start letter.

- a) Is there any further information relevant to the hearing which you need to tell us about? If yes please explain below. Yes No

3 THE INQUIRY PROCEDURE

I ☐

This is the most formal of the procedures. Although you may indicate a preference for an inquiry the Inspectorate must also consider that your appeal is suitable for this procedure. You are required to provide information concerning the number of witnesses and the length of time they need to give their evidence. If you are proposing that this appeal follows the inquiry procedure you must submit a draft statement of common ground. You must give detailed reasons below or on a separate sheet why you think an inquiry is necessary.

- ▲ a) How many witnesses do you intend to call? No. of witnesses
- b) How long do they need to give their evidence?
- c) How long do you estimate the inquiry will last? No. of days
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment.)

G. CHOICE OF PROCEDURE (continued)

- ◆ If the inquiry procedure is considered suitable we will seek details of your availability when sending the appeal start letter.

d) Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below.

H. FULL STATEMENT OF CASE

See section H of the guidance leaflet to help you decide what to include in your full statement of case.

There is no further opportunity to add to your statement of case at a later stage.

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal?

Yes No ☒

Have you made a costs application with this appeal?

Yes No ☒

The original Planning Approval as issued by Havant BC (Ref APP/16/01311) 14th March 2017, had 6 No Conditions applied. Following receipt of the Planning Approval the drawings were adapted to meet with the requirements of The Building Regulations. This application when reviewed by Havant BC advised on the need to provide Automatic Opening Vents (AOVs) to the staircase from first to second floor level, so as to achieve compliance with Part B of The Building Regulations. The drawing was subsequently amended to include these points and Building Regulations consent also given. The doorway onto the first floor flat roof on the rear side (South) elevation was no longer required. The door was shown on the original Planning drawings as it was assumed a means of escape would be achieved this way. Planning Condition No 5 was therefore added to restrict access onto the flat roof area.

However, the original scheme to provide the self contained Managers flat for the premises includes it's own external private open space/courtyard area on the newly formed second floor, as is clearly shown on the proposed drawings. As a result of this the existing first floor flat roof area will remain unaltered and more importantly unconnected with the self contained flat →

H. FULL STATEMENT OF CASE (continued)

to be located at second floor level. With the provision of the AOV windows it is also not possible the flat roof at first floor level from the new flat. Therefore as the original application for the removal/variation of Planning Conditions submitted Planning Condition No 5 should be removed from the original Planning Approval as it is irrelevant to the new flat to be formed.

It should also be noted that a subsequent Planning Approval has been given for two new houses to the rear (east) of the site which will also reduce the area of flat roof at first floor level to approximately 2.6m, from the existing east wall of the building. The existing doorway located at first floor level gives access to the existing studio (Managers Flat). When the new Managers flat is completed this studio flat will be demolished to enable the construction of the two houses approved. There is currently no restrictions or Planning Conditions for using the existing flat roof area and with no further doorway or access being provided the requirement of Condition No 5 is meaningless for the proposed creation of the new second floor flat and should be deleted from the original approval.

In addition Condition No 4 should be varied to suit the 2 No required AOV windows which will be fixed shut at all times, except in the event of a fire situation to release smoke from the stairwell and enable an evacuation to safely occur from the second floor.

It should be noted that the AOV windows will also be provided with obscured glazing all in accordance with the requirements of Planning Condition No 4. (The drawings have been annotated to reflect this.

The variation request for Condition No 4 appeared to be ignored in the decision notice given.

**The Town and Country Planning (Development Management Procedure) (England) Order
2015
Refusal of Planning Permission**

Application Number: APP/18/00535

Site Address: The Railway Inn 95 North Street, Emsworth, PO10 7PQ

Proposal: Application to remove Condition 5 of Planning Permission APP/16/01311 and variation of Condition 6 of Planning Permission APP/16/01311 relating to alterations on the south elevation comprising removal of access door onto flat roof area and insertion of 2No. AOV obscurely glazed windows.

Further to your application received on 24 May 2018, which was valid from 06 June 2018, Havant Borough Council, as Local Planning Authority, **Refuses Planning Permission** for the above proposal.

The reason for the Council's decision to refuse planning permission is:

- 1 The use of the flat roofed area at first floor adjacent to the shared boundary with 93 and 93A North Street, as amenity space would result in unacceptable over looking and loss of privacy to neighbouring residents. The proposal therefore conflicts with policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011, Havant Borough Council Borough Design Guide SPD 2011 and the National Planning Policy Framework.

In coming to its decision the Council considered plans and other documents submitted with regard to your application and the relevant policies of the Havant Borough Local Plan and other planning policy documents including the National Planning Policy Framework 2012.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council.
