Dear Sir/Madam,

I am writing to provide you with a supporting statement in relation to my planning application.

I wish to set up beauty salon at home. The room is currently a second lounge. There are no structural changes to my home internally or externally. The services I would offer are, manicure, pedicure, facials, massage, waxing, eyelash perms, tinting. I do not offer electrolysis or piercing.

My times of operation will be:

10am to 6pm Monday to Friday and 10am until 1pm on Saturday. I will not operate on a Sunday or Bank Holidays.

The hours above are the hours I will work within. However, I only intend to work a maximum of 20 to 25hrs per week. Therefore, I expect to have a maximum of 20 to 25 visitors per week which amounts to approximately 4 to 5 visitors per day.

The drive at the front of my property has room for 4 cars. We also have a double garage. Currently, my husband and I have a car each so there is always 2 free spaces. Clients will only visit one at a time so I expect to have sufficient parking for my home and business combined. There are no changes to the current parking area needed or requested in this application.

I would expect to have a maximum of one commercial delivery per month for consumable products and this is usually in a box carried by hand by a courier.

I hope I have provided you with all the information you need for my Planning Application & I look forward to hearing from you.

Yours Sincerely

Mrs Cheryl Price
