Dear Sir

I am concerned about the use of storage of cutting equipment with associated collection and delivery traffic at 26 Scratchface Lane, Bedhampton - Mr & Mrs Marx.

Storage could be alright as long as this is not exceeding to working there but the collection and delivery traffic could be a problem with ever increasing traffic through the road plus the ever increasing parking of cars and vans which

leads to driving over and
parking on the grass
verges as has happened out-
-side No. 18 - my car access
plus No. 18s is used as a
regular drop off / pick up and
delivery spot because of
congestion.

I had hoped No. 26 would
no longer have been a business
property.

Thank you
