

HAVANT BOROUGH
COUNCIL

RECEIVED

This is an objection
to a proposed development
20 New Brighton Rd.

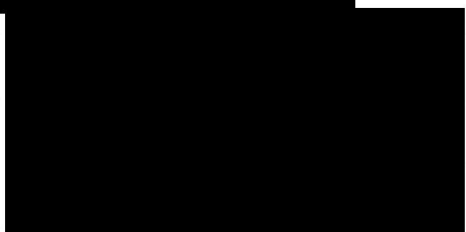

APP/19/00441

The property above is
very close to our garden
boundary. Dormer windows
would have a serious
effect on our privacy, and
would look directly onto our
back garden.

If allowed it would also
have a detrimental effect
on the future ~~at~~ value of
our property and our
ability to sell. No

We also have concerns about the height of the proposed garage but this is a separate matter, and hard to envisage without a further look at the plans.

Please can you acknowledge receipt of this objection at the following EMAIL.
