Comment: Emsworth is a village that is loved by its locals and visitors alike for the independant retailers that are to be found. If we allow a large chain retailer in, where will it end? Why do people think that for any area to progress these larger chains are the way to go. Yes, I know we already have a Tesco and Co-Op, but these are small units and provide an out of normal shopping hours service. Emsworth already has enough cafes providing an excellent service to both the residents and visitors alike.
