Hayling Island, Hants PO11 9RT

Dear Mr Oliver,
Re: Proposed Lidl Food store, Manor Rd, Hayling Island
Application number APP/17/00656

I have lived all my life on Hayling Island and have seen many changes, I feel this proposed building will be a great asset to us, a lot of the daily traffic from 10am onwards, are people going shopping off the island, if we had this store here, it would reduce traffic build ups, and pollution, also I feel Hayling has lost the heart of the village shop, where people met, and passed the time of day, perhaps by allowing this shop to open, local people will once again meet, and enjoy being part of the community. I am sure there will many more domestic dwellings built over the years to come, and we must look to the future needs of all these potential shoppers. On our single road off the Island.

Yours sincerely
Mrs P E Palmer.
