

13 Grove Road
Havant
PO9 1AR
23rd Feb 2016

Havant Borough Council.

Sir, re application APP/14/01225
erection of 13 Storey Tower Block
next to Havant Station

I write to challenge the application
on the following grounds:

1. The proposed project is out of character
with the area.
The height of the proposed Tower Block
will be higher than St Faiths Church Tower
and will overshadow the adjoining streets.
2. The proposal for 130 flats and yet only
provision for 58 parking places will
mean a large overspill of parking into
an already congested area.

Yours sincerely,
