For the attention of Mrs T. Pickup

Dear Mrs Pickup

Proposed Extension to rear of 32 Wallis Road PO7 7RX

Although we are most disappointed not to have received any official notification of this proposal, we have been advised in the last few days of some details related to the extension and from the comments listed on line we find ourselves in firm agreement with the objections raised insofar as they relate to our property at 7 Treeside Way.

It seems clear that the proposed two storey extension will overlook our garden and conservatory, with a much closer view of the main bedrooms and the sheer bulk of the building will provide an unsatisfactory addition to the general view of the neighbourhood.

It is also worth mentioning that an application by the previous owners of this house in, we believe, 2014 for a two storey granny annex to replace the existing garage had to be withdrawn due to quite reasonable objections of much the same nature as those now being expressed in relation to the above proposal.

We trust that these comments will be of assistance to you in your deliberations.

Your truly

John Ingham and Audrey Evans
