Dear Mr Gargett,

Ref: APP/17/01081

We are in receipt of a letter (dated 31st October 2017) from Neighbourhood Support, Havant Borough Council, informing us of an application by 7 Treeside Way for tree works to be carried out.

We are grateful for the consideration shown by our neighbours. The sycamores at the back seriously reduce the amount of light into our sitting room. The beech at the front, whilst having some impact on light into part of the house, is more of a potential hazard in its current state.

We thoroughly support the application.

Yours sincerely,
