Dear Sir/Madam,

I am writing this letter to you as a letter of complaint about the new smoking area/beer garden of The Hayling Billy Pub, address 139 Elm Grove, Hayling Island, PO11 9ED. I live in one of the first floor flats next to where the beer garden/smoking area has been set up. My complaint is that the level of noise coming from this outside smoking area is now becoming excessive and on some evenings unbearable. The customers of the pub are constantly out there shouting and swearing and behaving in a very inconsiderate manner towards surrounding neighbours of the area. I wish for something to be done about this situation, and as I understand I am not the only one who has made complaints against The Hayling Billy Pub and their customers.

Yours Sincerely

Mr Ciprian Ursan
