Site address 8fir corpse rd PO7 5JA

To Mrs E Chisnall.

I am concerned about the conservatory built adjacent to my property and that it over looks my garden. This allows my neighbours to look into my property from this conservatory.

As this extension does not conform to the tolerances of permitted development, will this set a precedent for others to build what ever they wish. I have nothing against this proposed extension as long as it conforms to the tolerances of permitted development, ie 3m from the back wall of a semi detached property.

yours sincerely

Mr D May

6 Fir corpse rd.
