Your query or comment: Hayling island needs a new Lidl store.

Having Lidl would help solve traffic on and off the Island, we and many others only go to Havant to visit the Havant store.

It is possible Hayling will loose it's Recycling tip, so more traffic using the main Havant Road. I appreciate it is not the most ideal site, being a green space, but there are plenty of other green spaces to be appreciated, also I am sure it would ease the 'school' parking as mothers would use Lidl's car park and perhaps do a little shopping at the same time, it's win, win, win. Thank you.
