Dear Mr Eaves,

I am writing with regard to the proposed further development of Llama Court 128-130 Sea Front.

Apart from the roof line being different, there is little, if any improvement of plans.

I do object to the height and bulk of the flats, the number of windows seem unacceptable, causing loss of privacy to neighbouring residents in the Sanderlings 345 & 142.

It would also seem from the parking at the rear of the property there is very little.

change.

I would like to know what the Fire and Ambulance have to say.

I hope that you will give serious consideration to these matters when you decide whether to grant planning permission, as it has a big impact on all the neighbours.

Yours sincerely
