Proposal : New Vehicular access to Paddock

Ref: APP/17/00931

For the attention of Mrs K. Wooden

Dear Mrs Wooden,

I am concerned that to create another access point to the Paddock will cause further traffic congestion in the confined area at the junction of the cul de sac and Victoria Road.

There is a perfectly acceptable access to the Paddock located opposite Rogers Mead.

May I respectfully suggest that further thought is given to this proposal and everything possible is considered before the hedgerow is destroyed.

In anticipation of your favourable decision I offer my sincere thanks.

Yours sincerely,
