Attn of the Planning & Dev Dept,

Dear Sirs

Application No: 1501355 "Tamarisk"

1. My wife and I have spent many lovely week-ends visiting "The Ferry approach" area of Hayling Island. On seeing the above planning request. I felt compelled to respond.
2. The volume, footprint of the proposal is far too big for the sight and will be "A Blight" on the local area of this peninsular.
3. A bungalow would blend in and be far more suitable.

Yours sincerely,
D.A.Field.
