2 MANOR ROAD HAYLING
ISLAND

MR OLIVER PLANNING OFFICER APP/17/00656

Dear Sir I am submitting this letter
in favour of the proposed Lidl on
Hayling as I think the competition would
be a good thing for the ageing
population who have little choice
as to where to shop. It would also
ease the traffic on the island
and through Havant as people
like my wife and myself [redacted]
would have no need to travel off
the island for their main shopping

Yours Faithfully
