Comment Reasons:

Comment: I am the daughter of the resident of 73 Sandy Point Road. I [REDACTED]

[REDACTED] has lived in the property for 22 years. The access land to the rear of number 71, is owned by my mother, I visit frequently and need access and so do other members of my family. I see from the proposed plans that they are looking to erect an enormous garage and will possibly be turning this into a residential bungalow/dwelling in the near future, as the residents at 71 Sandy point Road are constantly asking my mother to sell her land at the back.

They also run a business nearby and might look to bring this to their home too. I see this as a huge problem. I object 100%.
