Dear Sirs,

Proposal: Variation of conditions 2 (approved plans) and 3 (sewer diversion details) of Planning Permission APP/17/00511 (Proposed Gas fuelled Capacity Mechanism embedded generation plant to support the National Grid) in order to retain the existing sewer, change type of containerised generator, remove transformers and replace with a single 33kv transformer, amend size of proposed substation, reconfigure layout accordingly, replace proposed acoustic fence by a timber fence, and slightly amend fence line around the access to compound.

Site: Hermitage Park, Harts Farm Way, Havant, PO9 1HS.
APP/18/01281

Thank you for your letter of 14/02/2019.

Southern Water would have no objection to the revised plans, subject to no works over or within 3.5m of the public sewer crossing the site.

Yours sincerely
