APP/18/00380

Thank you for your letter of 12/12/2018.

The Council's Building Control officers/technical staff and the environment agency should be consulted regarding the discharge condition 9 for foul and surface water disposal.

It may be possible for the flows from the proposed development to be connected to a nearby public sewer, and the applicant may wish to investigate this option. Southern Water requires a formal application for a connection to the public sewer. The applicant is advised to contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Southern Water would have no comments to make with regards to other conditions being subject of consultation.

Yours sincerely
