3. Conditions

It is important that you set out any conditions you would like the Inspector to impose if allowing the appeal in part or in full, particularly with regard to replanting if the appellant is seeking consent to fell.

In the first planting season following the date of felling; 1 replacement tree is planted. The tree should be a minimum 1.2 metres tall at the time of planting and should comply with BS3936:Part 1:1992. It should be planted in the same place as the tree to be felled. The tree species should be *Betula pendula* or such other size, species, location or period of time as may be agreed in writing with the Council.

If within a period of three years any tree planted as a replacement is cut down, felled, uprooted, removed, or die, or becomes in the opinion of the Council seriously damaged or defective:

- a) the Council shall be notified as soon as is reasonably practicable; and
- b) another tree of the same species and size shall be planted in the same location at a time agreed in writing with the Council unless the Council agrees to dispense with or vary the requirement.
