Date 9 September 2016

Dear Mrs Crawford

35 North Shore Road, Hayling Island, PO11 0HN

Two storey front and rear extensions and roof alterations to include raising of the ridge height.

I refer to your letter dated 25th August 2016 and the amended plans submitted on the Havant Borough Council website concerning the above planning application. The Board's Planning Sub Committee has carefully considered this amended application and has decided to continue to **object to the proposals**. As stated in my previous response to this application, it is the opinion of Board's Planning Sub Committee that this proposal contravenes the Harbour Board objectives relating to conserving and improving the quality of the landscape.

Yours sincerely

Engineer to the Board
