Dear Mrs Hayward

Application number: APP/16/01043
The Town and County Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure)
(England) Order 2015

Site Address: 26 Scratchface Lane, Havant PO9 3NG
Proposal: Change of use to building at rear from (B2) General Industrial manufacture of fibre glass boats to (B8) storage of concrete cutting equipment with associated collection and delivery traffic

Thank you for your letter dated 28 November 2016 informing me of revisions to the above application. As this letter was not accurately addressed to include the postcode and only sent second class mail, it was not received by me until my return from work on 1 December 2016. As I do not have access to the internet at home or work locally to enable me to visit Havant Plaza, I am not able to view the application form, drawings and relevant supporting information to make comment on the revisions within the given deadline of 5 December.

However I have already submitted a letter clearly stating my objections to this planning application within a residential area. Residential areas should be maintained as such and businesses should be within business parks or industrial estates.

I await with interest the outcome of the Council's decision on this matter.

Yours sincerely

A McCarthy (Ms)
