

P.S. I am hoping you
w. all think of w. in
Sultan Road, who are
already struggling!!

Dear MR OLIVER,
RE: Planning App. For THE
RAILWAY INN. 95 NORTH ST
EMEWORTH. APP. 18/00665

I would ask the following
① The new houses may have off
road parking but in an already
over crowded Road what happens
if they have visitors? how does it
work? ② Will the council pay any fines we might

- ② The Inn with loose parking spaces where the cars need to get to the house where are those cars going?
 - ③ We could do with more parking facilities not less, what are you going to do about that?
 - ④ Can we have resident parking?
 - ⑤ Could you build a car park ~~at~~ ^{near} the station - multi storey would help?
 - ⑥ We have a problem selling these houses due to the parking already therefore will you be compensating us? ⑦ Where can I park in the evening? Please reply!!
- Yours sincerely
