For the attention of Mrs B Crawford,

We are in receipt of the letter dated 28 November 2017 concerning the amendment to the application APP/17/01019 covering an extension to 2 Fourth Avenue, Havant..

Retaining the subject upper floor widow in the original planned position and now introducing lower pane obscure glazing to the window would be satisfactory to us with regards to retention of privacy to our property of 1 Swallow Close. This would invalidate our previous objection to relocation of that window to the proposed overlooking wall.

Thank you for the help of the Planning Services in this matter.

Mr and Mrs A.L.Russell
