Dear Sir or Madam,

I am writing to object to the application for
planning permission for a wine bar at
UNIT 2, 2 ST MARYS ROAD, APPLICATION NUMBER
APP/19/00291

My objections are as follows -

This is a residential area.

St Marys is a busy road for a lot of the
time, and often difficult to cross.

There are no pavements opposite the proposed
bar (pedestrian safety ???).

The noise at night could be disturbing for not
only people living in St Marys Road but also
~~not~~ those living in Fathoms Reach and
Southleigh Grove. As for the litter problem, it
can only get worse.

I look forward to hearing from you
