Dear Ms Bailey

Ref: APP/15/01222

My sister and I enclose our new forms in respect of the CIL on the above application.

I hope it is clear from these forms, enclosed plans and my previous email to you, that I am assuming liability for dwelling 130B and my sister, Caroline MacDowell, will assume liability for dwelling 128B.

Thank you for all your guidance and advice in this matter.

Yours sincerely
