RE: APPLICATION NO  
APP/19/0029

Proposed wine bar at Unit 2, St Marys Rd.

We object to this planning application  
on the following grounds.

1. St Marys Road is essentially a residential area which supports a number of businesses in working hours but the area is a quiet one during the afternoons & evenings. Parking on this road is poor at the best of times & can only be made much worse by this development.
2. The hours of a wine bar opening do not fit in with a residential area. Noise and possible rowdy behaviour would not be unexpected.
3. This development would definitely impair the appearance & character of

St Mary's road, to the detriment  
of the residents.

Yours Sincerely
