Dear Sir.

Re. Planning Application APP/16/00021
APP/16/01234

I lived in Long Copse Lane since 1962, and it is very distressing to see this development on Land East of Hollybark Cottage getting out of hand. They seem to be breaking all the rules for anyone who really likes the character of Long Copse Lane and the qualities it afford. I object strongly to the application.

I just hope enough people will send in their objections.

Yours sincerely

HAVANT BOROUGH

COUNCIL MRS. S. A. OSMOND-SMITH.
